

Michem® Lube 270R

BRAND FAMILY OVERVIEW Michem® Lube is a versatile family of wax emulsions used to improve processing and performance in many industries, as well as provide a wide array of surface properties.

USAGE Provides excellent water and block resistance in paint and coating formulations. This product is useful for long term water bead and for water repellency on wood as well as a tire dressing and buffability for auto care.

DESCRIPTION Paraffin / polyethylene wax blend emulsion

PERFORMANCE ATTRIBUTES	7 11	-
	Market	Properties Imparted
	Automotive Care	buffability, tire dressing
	Building Paints	block resistance, water beading, water repellence, water resistance
	Exterior Wood Protection	block resistance, water beading, water repellence, water resistance
	Inks	block resistance, water beading, water repellence, water resistance
	Leather	block resistance, water beading, water repellence, water resistance
	OEM Applied Wood Protection	block resistance, water beading, water repellence, water resistance
	Overprint Varnishes	block resistance, water beading, water repellence, water resistance
